

Minutes

NASPH Business Meeting

10/9/21

Zoom

1. David Vessey gave treasurer's report

He filed our taxes and renewed corporation listing

We have just under \$4000 in our account

2. Location for upcoming conferences

David volunteered GVSU again for next year

Ted George suggested maybe Houston in the future

3. Elections

Cynthia Nielsen is considering ending her term as president one year early due to family responsibilities that make it difficult for her to travel. If she so decides, there would need to be an election to fill her position

Carlo Davia was nominated as a candidate for this role should it come open, and he reported that he would be willing to run

*Update: Cynthia has subsequently decided that a better course of action would be for her to remain on the EC but change from the President to the Vice-President role. The other EC members endorse this plan.

Carolyn Culbertson's first term expires this year, and so an election will need to be held to fill it. She is willing to run for a second term. Elections will be held electronically in the coming months.
