

CALL FOR PAPERS

North American Society for Philosophical Hermeneutics

20TH
ANNUAL
MEETING

Please join us for our twentieth annual meeting. Papers of 3000–5000 words prepared for blind review can be sent to nasphermeneutics@gmail.com by June 1st.

About NASPH: NASPH was formed in 2005 in order to further the study of philosophical hermeneutics. While honoring the rootedness of philosophical hermeneutics in the work of Hans-Georg Gadamer we find that the force and value of philosophical hermeneutics lie in the development of dialogue that brings life to history and illuminates contemporary issues.
